

Les Cabinets

Les Cabinets is revolutionizing the restroom experience at public and corporate events by transforming a place of necessity into a refreshing sensory environment.

- Together with the **Palais des congrès de Montréal**, **Les Cabinets** offers impeccable restroom facilities, innovative designs, dedicated host services, a wide array of quality products, curated olfactory and auditory ambiances, and à la carte personal care services. All that under a no-tip formula.
- These reinvented spaces enhance public and corporate events such as exhibitions, conferences, and galas and provide a new opportunity for sponsors to showcase their products and services.

“LES CABINETS HAS SET A NEW STANDARD FOR PUBLIC RESTROOMS AND PORTABLE TOILETS AT EVENTS. A TRULY INNOVATIVE AND INDISPENSABLE SERVICE!”
