OUR MISSION

Gallea's mission is to make local art accessible everywhere, and for everyone. We are reinventing ways that visitors consume art by transforming events into connected experiences. Our ambition is to develop the largest international independent visual art distribution network.

Our solution is designed for the tourism and event industries. Our passion is for visitors to travel through visual arts, to enrich experiences and to stimulate discussion.

At Gallea, we support you in creating memorable experiences through visual arts, supporting your organisations' missions and values.

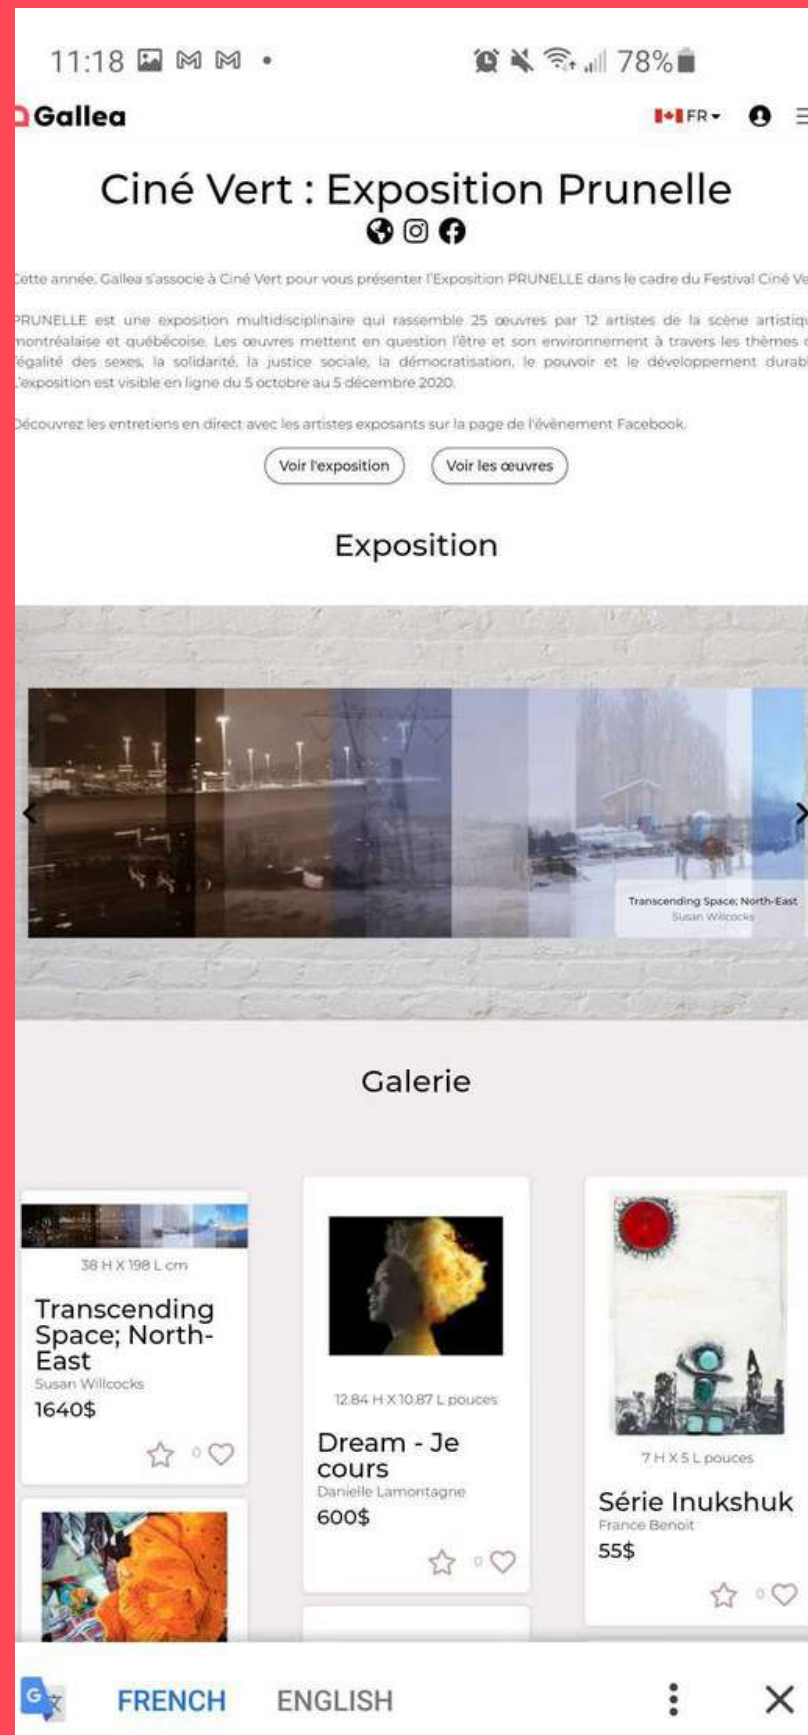

We offer hybrid and engaging visual art experiences to inspire visitors.

We also foster meaningful connections through cultural mediation activities for your audience.
