

Stimulation Déjà Vu

Olfactory workshops offer

OBJECTIVES

Stimulation Déjà Vu offers innovative olfactory and sensory workshops for your events. The sense of smell is a powerful sense that brings curiosity and conversation when it is brought to life in a fun, interactive or educational way. For an experience that will leave a lasting impression on your guests-participants, the Déjà Vu team is ready to serve you.

WORKSHOP 1

THE DESTINATION BAR

Déjà Vu offers you a unique experience: Try our olfactory creation bar and find out which destination corresponds to each olfactory cocktail.

This workshop aims to make you travel through your sense of smell.

WORKSHOP 2

WATERS OF THE WORLD

Fun and educational workshop presenting 4 water scents and emblematic places around the world. The participants are invited to smell 4 olfactory creations of waters, and to associate visuals with them, in the form of a game of images, in order to guess the qualities of water (saline, fresh, polluted, earthy, herbaceous etc.) and to associate a place with it, by its smell.

WORKSHOP 3

DISCOVERY AND COGNITIVE SCIENCE

How does the sense of smell guide us in our lives?

DIRECT CONNECTION TO EMOTIONS

The olfactory system is connected to the emotional center of humans through the limbic system.

OLFACTORY ALERTS

The sense of smell is a danger indicator.

AN EMOTIONAL ACTIVATION

Our olfactory sense is a great engine of emotion.
